Tips to Teens Given at Hi-Charmer Class

What is the first essential of good grooming? How do you choose the right clothes? These, and many other questions will be answered at the Broadway-Del Amo Charmer Charm School which is open to girls between the ages of 10 to 13, at a fee of \$5.

The Subteen begins her beauty routine as soon as she enters the Charm School. First she is given a pink and red hatbox to tote such equipment as a brush, comb and leotards to class. Her first lesson is on health and hygiene which helps her to acquire lifelong habits of fundamental good grooming.

The second class is on the care of skin and hair, with emphasis on the right hairstyle for each girl. Next comes the study of figure control and exercise. The final lecture is devoted to fashion modelling and the presentation of her diploma.

Throughout the course, girls will be receiving pointers on such special sub-teen problems as soothing troubled skin, straightening out posture, and overcoming a dominant sweet tooth.

The course is offered to Hi-Charmer club members. Girls may sign up for the club as well as the charm course in the Subteen department of the Broadway Del Amo.
